Call for Applications : Organising Committee of FDI South Asia Rounds 2026

Dear Students,

Greetings from Lloyd Academic Community!

We are pleased to announce the return of one of the world's most prestigious mooting competitions to Lloyd.

FDI SAR MOOT 2026

The **Foreign Direct Investment (FDI) International Arbitration Moot** is the most premier global competition focusing on the dispute resolution between States and foreign investors. After successfully hosting the regional rounds and global qualifiers in 2024, **Lloyd Law College** is once again pleased to host the **FDI Moot South Asia Regional Championship and Global Qualifying Rounds from Thu. 30 July -to- 02 August 2026.**

This championship brings together the finest legal minds and teams from across **India, Afghanistan, Bangladesh, Bhutan, Maldives, Nepal, and Sri Lanka.** It serves as the gateway for teams to qualify for the Global Oral Rounds of the FDI Moot to be held at the **Shenzhen Court of International Arbitration** (SCIA) at Shenzhen, China, from 23-27 October 2026.

CALL FOR APPLICATIONS: ORGANIZING COMMITTEE (FDI SAR 2026)

We are now inviting applications for the **Organizing Committee (OC) and Student Working Committee** for the FDI South Asia Rounds 2026. We are looking for a dedicated team capable of executing a world-class international event with precision and discipline.

Your Responsibilities as a member of the OC, you will be responsible for the core pillars of the competition. This includes the high-level management of national and international teams and arbitrators, managing the registry, memorial submissions, and technical score tabulations with strict integrity. The committee is also responsible for the competition's **physical and digital footprint**, overseeing logistics, alongside managing our global media outreach and **on-ground support and real-time coordination** to ensure that every hearing and event runs without delay. We need "go-getters" who can handle the pressure of a live championship and provide the operational backbone required for an event of this scale.
