2. It is the responsibility of the applicant to choose appropriate options while filling the online form such as their campus, course, etc. In case of wrong entry, their form may go unchecked.
3. Scholarship on the basis of Co-curricular achievements appears in both the categories viz. continuation and fresh grants. The applicants who possess this scholarship on the basis of their school-based co-curricular achievements have to fill under continuation/renewal category whereas the applicants who wish to receive a scholarship on the basis of performance in their previous academic year at Lloyd, such as Moots, Debates etc. have to fill under fresh grants category.

Confiscation of Scholarship on Disciplinary Grounds ::

The applicants must note that the grant of scholarship is not absolute and is subject to continued disciplined behavior in the college premises, hostel and transport. If any applicant is found guilty of indiscipline by the Campus Disciplinary Committee, their scholarship shall be confiscated from the date of being held guilty and they shall have to submit the balance fee within a week of confiscation of scholarship.

Discontinuation of Scholarship and its Consequences ::

If any student fails to fulfil any of the terms and conditions as hereinabove mentioned, their scholarship shall be discontinued. Scholarship once discontinued cannot be claimed again.
