Dear Parent / Student,

Greetings from Lloyd Academic Community!

CALL FOR NOMINATIONS – RECRUITMENT COORDINATION COMMITTEE (RCC) SELECTION

It is with great pride and immense pleasure that we share the successful Day Zero for the 2026 passing batches. Building on this success, Recruitment Coordination Committee (**"RCC"**) Lloyd Law College & Lloyd School of Law is announcing call for nominations for the new members inclusions in RCC for the Day Zero of 2027 passing batches.

As you are aware, the RCC plays a pivotal role in bridging the gap between our students and leading recruiters in the legal industry. Over the past year, the RCC has worked tirelessly to create opportunities for our peers, securing interview slots with top-tier law firms, corporates, and chambers, and facilitating numerous internship and placement offers for final-year and penultimate-year students. In the last two years through our coordinated recruitment effort, we have provided more than 150 job offers in collaboration with more than 65 firms that either visited the campus or engaged in virtual hiring.

The time has now come to induct new representatives for the **B.A. LL.B. (2023-28), B.Com. LL.B. (2023-28) and LL.B. (2025-28) batch**. This is an opportunity to become part of a student-led initiative that directly impacts the careers and futures of your classmates, while also honing your own professional and organisational skills. These new representatives will train under the existing senior RCC members and work closely with them to organise the recruitment drive of the current **B.A. LL.B. (2022-27), B.Com. LL.B. (2022-27) and LL.B. (2024-27) batch**. They will then progress to becoming Senior RCC members and conduct elections for the upcoming junior batch and so on.
