Dear Parent / Student,

Greetings from Lloyd Academic Community!

IMPORTANT NOTICE REGARDING INTERNSHIPS – PLEASE READ CAREFULLY

The Internship and Placement Cell (IP Cell) of Lloyd Law College and Lloyd School of Law is committed to providing you with the best industry internships across different sectors of the legal profession. At the same time, we would like to emphasize and request all students to be very careful while pursuing internships from sources not suggested or approved by the IP Cell. It is extremely important to remain cautious and mindful in order to identify fake internship opportunities.

For instance, a message has been circulating regarding Serve Smile Foundation as an NGO internship, along with the contact number 8318635036. Please note that this is a fake internship and has not been verified or recommended by the IP Cell of Lloyd Law College.

Kindly note that if you engage in such internships, which are not routed through or suggested by the IP Cell, the Cell will not take any responsibility for the same.

If you have any doubt or suspicion regarding the authenticity of any internship, you are encouraged to get in touch with the IP Cell immediately. For further queries or career-related support, you are always welcome to meet us at our office.

Thank you for your cooperation.

Best Regards
Internship and Placement Cell
