Dear Parent / Student,

Greetings from Lloyd academic community!

Lloyd Institute of Mediation & Arbitration (LIMA)

Lloyd Institute of Mediation & Arbitration (LIMA) was established on 3rd December 2022 by Hon'ble Mr. Justice S. Ravindra Bhat as a platform to serve along with the judiciary in dispute resolution. It is a unique platform that while handling professional disputes, also focuses on training and development for professionals and students in the field of ADR.

Introduction to ADR ::

LIMA announces an orientation session for the newly inducted batches of B.A.LL.B. & B.Com.LL.B./LL.B. about the introduction to ADR. ADR is a significant facet of modern legal systems and conflict resolution strategies. It offers an alternative to traditional litigation, providing parties involved in disputes with various methods to reach amicable settlements. This introduction will delve into the diverse techniques encompassed within ADR, exploring its history, principles, and relevance in contemporary legal practices.

LIMA – Orientation ::

The Orientation Session will help students understand the basics of Alternative Dispute Resolution (ADR) and the various activities conducted by LIMA. It will also include a short training on how to draft a Mediation Plan for the upcoming *Electio 2025* Selection Program. In *Electio 2025*, students will be required to submit a Negotiation Plan, based on which they will be shortlisted for further practical rounds. Selected students will then be inducted into the institute for advanced training and activities under LIMA.
