Dear Parents / Students,

Greetings from Lloyd!

Lloyd imparts practice and profession centric education and training in regular classes, and aims at creating responsible individuals and sensitive citizens through curricular and various co-curricular engagements. For the same, we are associated with different cultural centers in Delhi-NCR. Our associations with the American Centre, British Council and other such centers have led to opening newer avenues for our students in the past.

This mail comes with information that the American Center, New Delhi has invited our students to special screenings of two films. **Each day a total of 50 students (only) will go to the American Center. The students of LL.B.
