LLOYD GRAND INTRA, 2026

LIME, 2026, WORKSHOP ON INTERNATIONAL LAW :: Sat. 11th April 2026

Dear Parent / Student,

Greetings from the Lloyd Academic Community!

Lloyd is a learning-centric academic community committed to delivering excellent legal education. It fosters an intellectually stimulating environment where students grow through case studies and analytical engagement, enabling them to think broadly and critically about solutions to legal problems. The institution consistently strives to keep its academic programmes at the forefront of legal education. Mooting at Lloyd stands as one of the most essential and invigorating academic exercises. It is not merely another co-curricular activity, but a specialised application of persuasive advocacy. For generations, mooting has been integral to the training of lawyers, and it continues to play a vital role in shaping legal acumen and advocacy skills at Lloyd.

LIME, 2026 – TRAINING SESSION

The Lloyd Grand Intra is an annual internal competition organized by Lloyd Law College and Lloyd School of Law. It serves as a selection platform to identify and train the most capable students who will represent the institution in various moot court competitions across India and internationally. This year, all students who were selected to the Moot Court Society (MCS) prior to 2026 are required to participate in the event in order to retain their membership in the Society. Allocation of prestigious moot court competitions will be based on performance in LIME 2026. The competition will also serve as a platform to identify the best mooters of Lloyd, and the title of "Best Mooter of Lloyd" shall be awarded accordingly.

In furtherance of this objective, a **mandatory training and orientation session** will be conducted on **Saturday 11th April 2026, from 08:00 AM to 02:30 PM**. The session shall cover key aspects of the LIME Moot Proposition, including **sources of international law, fundamentals of public international law, the framework of the UN Charter, treaties, and principles of State responsibility and attribution under international law**. The session is designed to equip participants with the necessary conceptual clarity and practical understanding required for effective mooting. The session is open for other students of Lloyd Law College and Lloyd School of Law as well.
