Naatyotsav : theatre society

We extend an invitation to all our students to participate in a vibrant Street Play initiatives to be organized under the banner of the **Ministry of Law and Justice, Government of India**. This initiative aims to create awareness about the new criminal laws and highlight the importance of legal reforms through engaging performances. We believe that your participation in this campaign can truly make a difference in spreading awareness and empowering society.

The street play will serve as a platform for the players to showcase your talent while effectively conveying important messages about the latest legal reforms. It is an opportunity for the students to be a voice for change and contribute to the betterment of society.

As a student volunteer/ performer, you will have the opportunity to:

1. Contribute your skills and expertise to projects that align with your interests.
