Recruitment Coordination Committee

BY-LAWS & STANDARD C.V. FORMAT

B.A.LL.B. / B.Com.LL.B. (2021-2026) & LL.B. (2023-2026)

Dear Parent / Student,

Greetings from Lloyd Academic Community!

Recruitment Coordination Committee (RCC) of Lloyd is committed to provide you with competitive training and placement assistance customised to your career aspirations. A professional C.V. is the first impression on your prospective employer. In order to achieve that, we are sharing the standard C.V. format generally for all the Lloyd students applying for any internship and placement opportunity and specially for the Mandatory compliance by final year 2026 batch placement applicants.

As part of our efforts to establish a professional student oriented placement framework, all final year applicants are required to submit a key component of their placement profile: a Standard C.V.

RCC work according to its By-laws programmed to regulate the placement process in its entirety, commencing from the stage of consent and continuing through to the final placement of applicants. All actions, measures, and decisions undertaken in relation to the placement process shall be subject to and in accordance with the attached By-laws. RCC reserves the authority and power to amend, modify, or supplement these By-laws by notification at any time, as may be deemed necessary, for the purpose of ensuring discipline, fairness, and equity in the recruitment process.

IMPORTANT NOTE:

- The receipt of this communication shall not, in itself, be construed as conferring membership in the RCC.
- The selection of candidates shall be conducted strictly in accordance with the provisions and procedures prescribed under the RCC By-laws.
- Eligibility for consideration shall be limited to students who either (i) attended the Town Hall in person and submitted the consent form with an affirmative response ('Yes'), or (ii) were expressly approved by the RCC for online attendance.
- The final list of selected RCC members shall be duly communicated to all final-year students through a separate email in due course.

ATTACHMENTS:

- **Standard C.V. Format**
- **RCC Bye-Laws**

All students are hereby directed to thoroughly review these documents, as adherence to their provisions shall be compulsory.

Best Regards

Recruitment Coordination Committee
