LEGAL PRACTICE CERTIFICATE COURSE

Securities and Investment Laws - Practice & Procedure

Wed. 14 - Fri. 16 Jan. 2026, IST 09 AM - 03 PM

Tue.-13-Jan.-2026

Dear Parent / Student,

Greetings from Lloyd academic community!

In contemporary times, classroom teaching for a student of law degree program remain insufficient as potential recruiters look for law graduates who are not only well versed with the Bare Acts, but who also possess adequate practical knowledge and are familiar with working of the Courts. Apart from this, fluency in communication skills, including good drafting skills is necessary for a law graduate. This all can't be covered in class-room teaching; it has become essential for every law college to take the teaching & learning beyond class-rooms and to bring in the element of understanding & application of law in its curriculum. Without electricity / energy modern society cannot be thought of. Securities and investment laws are one of the most important part of any legal system.
