A step towards sustainable progress

Dear Parents / Students

We at Lloyd Law College, and Lloyd School of Law always consider ourselves as an essential stakeholder of just, fair & humane functioning of the society; and we are consistently determined to motivate & mold our students into socially responsible citizens. Since our inception, we have primarily focused on the holistic development of the students by imparting life skills through various community engagement activities across all the

programs that carries an impact on the life of the people, not only of the institute but also beyond that.

Learning humane side of the law can-not be kept limited to classroom activities; that is why Lloyd always organizes various activities for sensitizing its students towards social needs that helps in their own holistic growth & development. One of such activity is inviting our students to contribute in blood donation camp, either as a volunteer or as a donor. It is known to us that the need for blood is universal but access to blood for all those who need is not universal. If we donate blood, it shall be an act of solidarity, a kind of effort that will save life of many others.

We are pleased to inform that the Lloyd Law College and the Lloyd School of Law, in association with All India Institute of Medical Sciences (AIIMS), have organized a BLOOD DONATION DRIVE as per following details:

**Day & Date: Friday, 25<sup>th</sup> November 2022**

**Timings : 9 am to 3 pm**

**Venue : First Floor, Campus – 02**

**Each student donor shall be given a Certificate of Appreciation along-with necessary Refreshment and One Lecture Exemption. The medical assistance team from the AIIMS will take care of the whole process of blood donation.**

***Kindly take notice that lecture exemption shall be given as per Time recorded at Blood Donation Camp Register.***

As a student of Lloyd Law College / Lloyd School of Law, and as a responsible citizen of this country, we urge you to come forward to donate blood and play an important role in contributing to the process of nation-building by ensuring blood security especially in uncertain times.
