Dear Parent / Student,

Greetings from Lloyd Academic Community!

ACADEMIC TOUR ::

Academic Tours are organised for students to provide them exposure for a better teaching learning process. The Pradhanmantri Sangrahalaya is a tribute to every Prime Minister of India since Independence, and a narrative record of how each one has contributed to the development of our nation over the last 75 years. It is a history of collective effort, and powerful evidence of the creative success of India's democracy. Our Prime Ministers came from every class and tier of society, for the gates of democracy were equally open to all. Each one left an important footprint on the journey of development, social harmony and economic empowerment that has enabled India to give true meaning to freedom. We inherited an impoverished land from the debris of British colonialism, and together gave it a new life, lifting our country from famished deprivation to food-surplus status, and creating infrastructure over barren territory for the benefit of the people. The Teen Murti Estate, home to India's first Prime Minister Shri Jawaharlal Nehru for 16 years, was the natural environment for Pradhanmantri Sangrahalaya, because this is a story of continuity.
