Dear Parent / Student,

Greetings from Lloyd Academic Community!

We hope this message finds you well. We are thrilled to announce that we are taking one step closer towards our college's Mega Cultural Event **Catalyst 2.0**. To make this event more exciting, the Event is inviting trending artists to the campus to witness the biggest fest of Lloyd Group of Institutions.

We are overwhelmed on receiving application of a huge number of students to nominate themselves as the Volunteers. But, as we have exceeded the maximum count for Volunteers, an interview round is being initiated to ensure the enthusiasm and quality work throughout the event.

We appreciate your enthusiasm and commitment to be a part of our initiative. Herein we have attached the list of students who are eligible to appear in the final selection round for the Volunteers of Catalyst 2.0.
