1. **Renewal/Continuation** :: The students who are already drawing any scholarship of renewable nature have to apply under this category.
2. **Fresh** :: The students who are not drawing any Scholarship and find themselves eligible under any category are required to apply for fresh grant.

The terms and conditions for the continuation and fresh grants shall be as follows;

- i) Minimum **80% physical class attendance** in previous academic year
- ii) Minimum **55% marks with no back paper** in previous academic year
- iii) Submission of odd semester fee in current academic year **on or before 29th July 2023** (as notified earlier also)
- iv) **No disciplinary action** taken against the applicant by the college
- v) Submission of Scholarship Application in time, as per the notification
- vi) The applicant must be drawing a scholarship of renewable nature, without interruption (applicable only for continuation cases).

Procedure to apply :: The students have to **apply through the Google Form**, the link for the same has been provided herewith. The applicant must ensure that all the uploaded documents as asked for in the Form are legible. Unclear/illegible uploads may result in rejection of the Application.

Proof of Submission of Application :: Once the applicant submits the google form, an automated response (acknowledgement) is received by them via mail. The students are advised to save the copy of automated response, as **it shall be the sole proof of submission of application.** **The applicant must check the spam folder also for the same.**

Important ::

Confiscation of Scholarship on Disciplinary Grounds :: The applicants must note that the grant of scholarship is not absolute and is subject to continued disciplined behavior in the college premises, hostel and transport. If any applicant is found guilty of indiscipline by the Campus Disciplinary Committee, their scholarship shall be confiscated from the date of being held guilty and they shall have to submit the balance fee within a week of confiscation of scholarship.

Discontinuation of Scholarship and its Consequences :: If any student fails to fulfil any of the terms and conditions as hereinabove mentioned, their scholarship shall be discontinued. Scholarship once discontinued cannot be claimed again. This rule, however, does not prevent

the student from applying for scholarship under Fresh Category, if they find themselves eligible for any such scholarship.
