Dear Parent / Student,

Greetings from Lloyd academic community!

We have completed four months of regular classes during Feb. – May 2023. As you all are aware, we regularly conduct 'Students' Academic Open House Sessions' for each batch to understand and evaluate matters relating to course progression, syllabus coverage,

internship and other relevant matters. This is a confidential forum which gives full freedom to voice your concerns at the proper forum in the proper manner. These sessions have always helped us to analyse and reframe our academic planning and activities for meaningful outcomes and a transparent institution all through our activities. All students are required to attend the same and give your inputs. Attendance of each student will be marked.

Hope to see you all in regular classes, skill development programs, additional courses, practical academics, skilling opportunities and professional guidance of excellence.
