VAAKSHETRA :: LLOYD DEBATE SOCIETY

VERBATTLE – 2023

Sat. 02 – Sun. 03 September 2023

Dear Parent / Student,

Greetings from Lloyd academic community!

Lloyd is a learning-centric academic community committed to excellent legal education. We create intellectually stimulating environment that helps students develop through case studies and case analysis; hone their writing, argumentation, and counselling skills; and think broadly and critically about legal problem-solution. We work to keep these programs at the vanguard of legal education. We take efforts to provide an individualized support approach to each student's academic and specific needs and concerns.

Debate is a formal contest of argumentation between two teams or individuals. But more broadly, and more importantly, debate is an essential tool for developing and maintaining democracy and open societies. More than a mere verbal or performance skill, debate embodies the ideals of reasoned argument, tolerance for divergent points of view, and rigorous self-examination. Debate is, above all, a way for those who hold opposing views to discuss controversial issues without descending to insult, emotional appeals, or personal bias. A key trademark of debate is that it rarely ends in agreement, but rather, allows for a robust analysis of the question at hand. Perhaps this is what French philosopher Joseph Joubert meant when he said: *"It is better to debate a question without settling it, than to settle a question without debating it."*
