College Life is one of the most remarkable and lovable times of an individual's life. College Life exposes us to whole new experiences which we always dream of experiencing after our school life. Lucky are those who get the chance to enjoy their college life, as many people don't get this chance due to their circumstances or financial issues. For every person, College Life has a different meaning. While some people spend their college life partying with friends, others become more cautious about their careers and study hard. Whatever be the way, every individual enjoys their college life and always wishes to relive that time once it is over.

So, to kick start this life, your senior batch wishes to give you a formal welcome through **AAROHAN - Be your own idol - Freshers' 2023 on Thursday 19 October 2023.**
