**Dear Parent / Student**

**Greetings from Lloyd Academic Community**

Kindly refer to our email, dt. 17<sup>th</sup> December, with the Subject '**Lloyd Criminal Appeal Advocacy Competition 1.0**'. We are glad to share names of ten students who have been selected to participate in this 'training cum competition' as Student Advocates. This selection

has been made on the basis of their performance in (i) Written Test, and (ii) Personal Interaction, both, along-with their (a) Application, and (b) the Statement of Purpose that the applicant students had submitted. List of selected Student Advocates is laid down herein below.

Now, real-life Trial Court Records (TCRs) will be shared with the participating students and they will work upon the TCRs for the purpose of drafting appeal to be filed before the High Court jurisdiction. Prior to that, Workshops on (i) 'reading & understanding the TCRs', and (ii) 'drafting appeal documents' will be conducted by expert advocates.

We wish all the participating students to learn their best through this training process.

Hope to see all the students in regular class-room, and other skill development programs, additional courses, practical academics, skilling opportunities and professional guidance of excellence.
