LEGAL AID & SERVICES CLINIC 'PEACE REALLY'

Dear Parent / Student,

Greetings from Lloyd Academic Community!

Lloyd law college is successfully participating in justice delivery mechanism through its Legal Aid & Services Clinic. We at Lloyd believe that Justice Delivery will lead to peace. India has a tradition of peace through its great ambassadors like Buddha & Gandhi. Today we need peace more than ever in order to control ravaging war between Russia and Ukraine and for that matter between Armenia and Azerbaijan. United Nations is observing 21 September 2022 as World Peace Day.

Legal Aid & Services Clinic is organizing a Peace Rally, in order to enthuse importance of Peace among students.
