"WHY EVERY CIVIL SERVANT IS A STUDENT OF LAW"

Dear Parent / Student,

Greetings from Lloyd academic community!

In contemporary times, classroom teaching for a student of law degree program remain insufficient as potential recruiters look for law graduates who are not only well versed with the Bare Acts, but must also possess adequate practical knowledge and are familiar with working of the Courts. Apart from this, fluency in communication skills, including good drafting skills is necessary for a law graduate. This all can't be covered in class-room teaching; it has become essential for every law college to take the teaching & learning beyond class-rooms and to bring in the element of understanding & application of law in its curriculum. Without the learning and understanding of Criminal Procedural Laws, there is now dispensation of justice according ot law in any legal system. We passionately create learning environment for our students through practitioners of all major areas of laws in practice and profession. This Session is to entail students to legal practice and profession.
